Hi Joyel,

Are you tied up with the spill in Durango? I am giving a presentation the evening of August 18 (~6P-8P) to the Arapahoe County Sheriff's Office Citizens Academy, and thought an OSC talk would tie in well with the CID part of the presentation. I've heard all the OSCs are assisting with the spill, and if so, I totally understand. If not, and you would like to present with me, please let me know.

Thanks,

T
